### Issue 1

Description: ALLEGED WILDLIFE BIRD BEE ETC  
INJURY COMPLAINT

EPA Reg #: 90780-9      Product Description: Rat & Mouse Killer  
Disposable Bait Station

Severity  
Code: W-A      Lot #: Not Provided

Active Ingredient: Bromethalin

Details: Your product should have a WARNING it also kills baby bunny rabbits/ baby squirrels. I found 2 baby bunnies floating in my swimming pool, so upsetting & sad! I found another in the backyard. The rat bait station was empty. I found no dead rats!
